
BE DRIVEN FOR MILE5 WITH SMILE5

MILE5

ABOUT US

MILE5 Ltd was launched in 2015 by professionals from travel, transportation & aviation industry, housing a combined experience of over 40 years. These professionals came together to build a transportation solution in London developed around a customer's needs.

Reliability, safety and on-time service, combined with a white glove experience, delivered through professionally trained and DBS certified chauffeurs is the philosophy behind MILE5.

The concept at MILE5 is to provide quality combined with personalisation of service and offer transportation solutions that are second to none.

In todays digitized world where companies lack a human interface, MILE5 takes a more traditional approach to customer service ensuring personalised and a flexible service which can cater our clients in any complex service requirement while ensuring the personal touch.

We believe that our clients are our partners to success, and we ensure that our success is shared celebrated with our partners.
